

When you need to meet critical filing deadlines, count on Corptax Support. All SaaS and Priority Support customers can receive after-hours support if unable to launch an enterprise or connect to your database. Enter a case and call the after-hours support line at 888.282.9277 to escalate your case to a technical support representative.

Critical Issues

Critical is defined as:

- A system-down situation
- Failure of critical Corptax component that may cause failure to meet a filing deadline

To contact after-hours support for a critical issue:

1. Log in to [Corptax Connect](#) to submit a new case.
2. Click **Open New Case** on the Welcome panel.
3. Select a case type in the **Case Type** field:
 - a. For application support, select **Tax Preparation Issue**.
 - b. For system or technical support, select **IT/System Issue**.
4. Complete the following fields on the Open New Case form to avoid delays.
